NTCI Foundation – Now You Can Register Online

100 Years of Red & Grey

Dear Alumni,

The NTCI Foundation has launched a new website, and an easy way for you to keep in touch. All you have to do is VISIT OUR WEBSITE, and FOLLOW THE INSTRUCTIONS to create your own personal account and provide your current contact information. Once we have your contact details, you will receive occasional updates on Foundation activities.

You will receive:

- The Foundation's annual alumni newsletter.
- Alerts about mini reunions for just your year or decade.
- Updates on the Foundation's *Heritage Program* for the new school.
- Communiques about NTCI's big 100th anniversary celebration.
- Information about special events.

This is also a way to let us know whether you'd like to be involved with Alumni activities and, if so, your preferred area(s) of interest.

Visit our new website at: www.ntcifoundation.ca

We hope to hear from you soon!

And please forward this email to other NT friends, siblings or colleagues – and share their email addresses with us at NTCIFoundation@ntci.on.ca or by leaving a voice message at 416.393.8585 ext. 20145. Momentum is growing thanks to many like you!

Sincerely,

The NTCI Foundation
